2. If they bring food or drink, they may eat/drink in the narthex outside the nursery room but not **IN** it. And any crumbs or spills need to be cleaned up. (There is no cleaning service to check/clean the church before Sunday so we need to leave it in great condition.)
3. Also – for everyone (includes adults) we’ll make sure the paper towels are in place and the toilet paper refilled on the spools as needed in the restrooms. Wipe the counters dry and floor if it is wet.
