

CITY OF BRUNSWICK CHRISTMAS PARADE

DATE: Saturday, December 3, 2011

TIME: Parade begins promptly at 10 AM – be in line no later than 9:30 if you wish to participate. Float decorating will begin around 7:00.

Location in line TBD.

LOCATION: Line up at Howard Coffin Park – Parade Ends at Mary Ross Park

GIRL SCOUT FLOAT – Girl Scouts in Toyland

We are planning on decorating the trailer with toy cutouts. We will highlight the fact that we are celebrating 100 years of Girl Scouting. Girls should dress as a toy (jack-in-the-box, rag doll, teddy bear, etc.) Please make sure that they are appropriately dressed for the weather, so everyone stays comfortable and healthy.

We would also like a few volunteers from each level to wear their uniforms, carry the banner and lead the group

There will be one trailer pulled by a pickup truck. Daisy's only will be allowed to ride in the trailer – space is limited. All others will walk. Please advise all parents/adults that if a child is riding in the trailer, they must remain there for the entire parade for safety reasons. Parents can walk along the parade route, but will not be able to hold hands, pick up, etc. children in the trailer and must maintain a safe distance from the trailer at all times. If they see a potential problem with this, their child should walk.

Practice popular Christmas carols and Girl Scout songs to sing along the parade route.
